

# Oxygen First Aid for Scuba Diving Injuries

## Provider Class

As a recreational diver, you can receive training to provide vital first aid that can make a difference to a scuba diver with decompression illness.

- The DAN Oxygen Provider Course provides entry-level training in the recognition and management of possible dive-related injuries using emergency oxygen first aid.

### Before the Class

- It's recommended you have certification in CPR and First Aid.

### The Class

- The four-hour class can either be split up on two weeknights or be completed over a weekend. See our schedule for days and times.  
Training Dates on Request

### The Cost

- **The course fee is \$55** and includes:  
Student handbook that goes with the class  
Non-Rebreather Mask
- **Optional items include:**
  - PADI Specialty Certification
  - DAN Oronasal Mask
